09:15AM Emily

Hi!!! How are you today....
I got some updates for the design

Fancy 09:16AM

Hey!!! I'm fine!
Please forward me. I need your update

09:17AM Emily

Sure!
Let's take a look and let me know
if you need any further support.

Large Desktop

The image displays a detailed dashboard for Fram.io, divided into several functional sections. On the left, a vertical sidebar contains navigation links: User profile, Notifications, Billings, Security, Messages, Statistics, and Settings, each accompanied by a small icon. The main content area at the top features a user profile card for Emily Doe, identified as a Communicator, with a circular profile picture. Below this, a 'Statistics' section shows '123 transactions you have made in the last 30 days', with filters for 'Last week', 'Last 30 days', and 'All time'. This section includes two charts: a 'Basic Line Chart Demo' showing 'Earnings' (orange) and 'Spending' (grey) over a weekly cycle, and a 'Combo Line-Bar Chart Demo' showing 'ROI' (grey line) and 'Cash flow' (orange bars), with a callout for Sunday's cash flow of 54. A 'Balance' section uses three colored boxes to show 'Balance \$18K', 'Earnings \$29.5K', and 'Spending \$11.5K', along with performance context like 'You are on top 12.5% people make up to this'. The 'Return of Investment' section follows, displaying 'All time ROI \$45K' and 'This month ROI \$29.5K' with similar performance benchmarks. The bottom right corner contains two more charts: a 'Doughnut Chart Demo' representing categories like Communication, Events, Translation, Interpreter, and Assistance, and a 'Radar Chart Demo' comparing 'You' (orange) against an 'Average' (grey) across five dimensions: Social media, Advertisement, Savings, Charity, and Investment. The footer includes the Fram.io logo and a copyright notice for the demo project.
